Health and Well being

Basic needs for 10,458 individuals to be specific in areas of housing assistance, outpatient drug services and prevention, literacy, crisis/domestic violence, health clinics, the disabled, and family services.

Helping Children and Youth Succeed

Outreach and services in this impact area focus on driving results in programs that have the youth of Oswego County as their main concern. In addition to the childcare programs, girl/boy scouts, and CYO funding that is provided; United Way coordinates our Annual Stuff-A-Bus School Drive to reach the growing needs of our youth. In 2017, 30,910 school supplies were collected serving over 1,600 students in the 9 school districts of Oswego County. In addition to the individuals that are reached through the member programs – over 11,000 individuals were impacted by these programs and initiatives.
