ENSURING WELLNESS
We are committed to providing better access to healthcare, encouraging wellness, and offering the tools and partners for overall well-being.

BUILDING SUCCESSFUL YOUTH
Confidence and experience provides the foundation for success, and our agency provides the resources for that development.

HEALTHY, NOT HUNGRY
Our focus is to ensure no individual or family goes hungry, and that everyone has access to a proper, nutritional diet.

YOU COULD PROVIDE COUNSELING FOR A FAMILY IN CRISIS
A $2 contribution from your paycheck for a year, a little more than $100 over the course of those 52 weeks can make all the difference for an individual in need or family in crisis. Just one less coffee a week, could provide the following resources:

- Victim Services
- Youth Mentoring
- Health Clinic Visits
- Childcare Programs

- Support for Vision/ Hearing Loss
- Senior Citizen Meals
- Support to Families
- Food Pantries

- Homeless/ Youth Services
- Prevention and Outpatient Drug Treatment
